

The Empower Wellness Screening Program

Des Plaines SD 62

Thoughtfully designed to help you take control of your health.

STAY HEALTHY Take a positive step. Your health is worth it!

Empowerment

Our screening services are thoughtfully designed to provide you with a better understanding of your health. We're empowering you to take the next steps toward illness prevention and a happier, healthier life. Participate in a screening and take control of your future!

SCREENING PROGRAM OVERVIEW

Your Screening Package Includes:

- **Panel C** - Testing that consists of a 37-component blood chemistry profile.
- Blood Pressure and Body Mass Index Reading
- Self-Reported Height and Weight
- Empower Health Assessment™
- One year of unlimited access to our NEW user portal, designed to help you understand and grow your health.
- Results are confidentially and securely available online at empower.health within 2-3 business days of your event.
- **Seasonal Flu Shot** - EHS is proud to offer the Quadrivalent vaccine which includes 2 type-A strains and 2 type-B strains. Getting an annual flu shot is your best protection against the virus. Participants must be 18 years of age or older and are subject to evaluation of health and medical history.

Schedule your appointment and explore helpful health content on our **NEW** empower.health portal!

*This is not the same registration site used for previous EHS screenings.
All participants must create a new account.*

Important Information: The Flu Program is subject to vaccine availability. Participants must be 18 years of age or older and are subject to evaluation of health and medical history. Due to state law in CA, DE, MO, NY, and WA, pregnant women will not be eligible to receive a flu shot at the flu program promoted. State law prohibits vaccinating pregnant women with vaccines containing Thimerosal. Please see your primary care provider if you are pregnant and wish to receive a flu shot.
